The Council approved a three-year lease extension for the Heritage Lakeville Liquors store.

Clear Snow and Ice from Sidewalks

Just a reminder—residents have 48 hours to remove snow and ice from their sidewalks after a snow event has concluded. If the City must clear the sidewalk after this time, you may be assessed the cost of the work, or you may be fined up to \$100. The complete snow and ice removal ordinance can be found online at lakevillemn.gov—click on the blue City Code button on the left and look for Lakeville City Code 7-3-8.
